

FAQ

ABOUT ADMISSION

1. I want to enroll in the program, what should I do?

You must first complete the web form, send us the certificates and we will coordinate an online or face-to-face interview, complete the pretest level and we then give you an answer about your admission.

2. Until when do I have time to enroll?

If you have a conditional admission, you have time to enroll until 15/07/2022.

-If you need a residence visa (VISA), you should contemplate it as far in advance as possible due to delays in the process, you cannot start the academic year if you do not have your approved VISA. Remember that the sooner you finish the admission and enrollment process, you guarantee your place as a student at the BCC, places are limited.

3. What are the valid official Spanish certificates?

Certificates are:

- SICEL (sciele.org): level A2 of any partner institution. The Instituto Cervantes and its DELE exam are available in many countries and can be done in digital or online formats.

If you cannot submit this document:

- In all cases, you will be asked to sign an academic commitment as you will obtain the minimum level A2 requirement before starting the second year.
- Unofficial A2 certificate (for example, obtained by an unaccredited school) you will be asked to take a Spanish exam to define if your level is sufficient or you need support.
- Certificate A1, you will be conditionally admitted and you will be required to attend the Spanish summer course.

4. What are valid English certificates?

The official certificates accepted are:

- TOEFL: 93-120 (computer-based test), 397-433 (paper based test) or 30-40 (internet based test).

- IELTS: minimum 3.0

- TOEIC: 255-400

- Other exams / certificates: could be accepted as long as the level can be accredited.

5. When should I take the Spanish or Basic Sciences Summer Course?

All candidates will be evaluated on the admission process through an online Pretest Level, some exceptions could be made depending on your previous studies

6. What if I don't have a science background?

If you come from a secondary degree with another orientation that is not science, or if you come from another career related to letters, art, law or other do not worry, you can take the intensive summer course in basic sciences to level your knowledge in that area .

7. How do I prove that I have access to the university?

You must send a certificate that confirms that you have completed your secondary education and that you have access to the university in your country. For example: Selectividad (Spain), Baccalaureat (France), A-levels (UK), Abitur (Germany), Slutbetyg (Sweden), Maturità (Italy), etc. Exceptionally and as long as it is valid in your country of origin, you can be admitted by presenting a vocational test that grants you access to the university.

8. How and when is the admission interview conducted?

The admission interview can be online or in person, depending on your place of residence and your availability. If it is online means, it is organized through a platform such as Zoom, or by phone. We will coordinate it according to your possibilities and at a time that suits you.

FAQ

9. What does the interview consist of?

The interview is just a talk to get to know you better, to know what your motivations are to join the BCC and become a Chiropractor. You do not have to worry. You will speak with BCC Director Adrian Wenban about chiropractic and the BCC. It is also the opportunity for you to ask any questions or doubts you have before registering.

10. I am a foreign student and without a passport from the European Union, can I still study at the BCC?

Yes, you will only need to apply to the Spanish consulate or embassy in your country for a visa to residence as a student during the period of your studies. We will send you all the documents you need when you enroll.

11. I want to start the following year, can I still start the admission process now?

Yes, of course, the sooner you start your admission process the better. You can register and reserve your place with the anticipation that you want.

12. Can I enroll if I have completed another career related to art, language, law or another completely different training?

Yes, that's why we have the basic science course, so that you can have a necessary content base to be at the level of the rest of your colleagues who have training in science.

13. I already received my admission document, what should I do now to finish my registration?

When you receive your admission document to reserve your place at the BCC you must send us the complete and signed the Registro de Matricula document. The place will be confirmed once you have made the enrolment fee payment.

14. Do you offer scholarships or discounts?

We are a bilingual school whose official languages are English and Spanish. During the first year you have simultaneous translation to adapt your levels of knowledge about languages. None of the classes are taught in any other language, although the BCC has students from more than 20 countries around the world.

ABOUT LIVING IN BARCELONA

28. Does the BCC has a campus?

The BCC does not have a student residence, but we will be happy to help you and advise you on

everything you need to choose a place to live. We have information about it and websites where you can

find a place, as well as a private and exclusive space for BCC students to find roommates.

29. How can I find out about the cost of living in Barcelona?

You can find information on the costs of living, rent, transportation and housing [on this site](#).

You can also write to us if you have any questions about it.

FAQ

30. You have two campus, where it's better to stay near campus Balmes or Sarrià?

This is up to you, you may find it more comfortable to find a place near Sarrià. It is a traditional and quiet neighborhood of Barcelona, and most of the activities will be on this campus. But any other place in Barcelona that you like or that suits your possibilities can also be a good option, all are very well connected thanks to public transport. If you are looking for a quiet and less touristy place, we do not recommend neighborhoods such as: Barceloneta, El Born, El Gótico, El Raval and surroundings.
